Travel plays an essential role in stimulating economic growth, cultivating vibrant communities, creating quality job opportunities and inspiring new businesses, and it is indispensable to our nation’s global competitiveness.

Travel is a significant economic driver for Connecticut—and matters to our communities, jobs and public funding.

- Domestic and international travelers spent an estimated $12.1 billion while visiting Connecticut.
- Travel spending was 9.6% below 2019 levels and 33.7% above 2021.

The travel industry fuels businesses, jobs and investment beyond travel—creating a ripple effect within our communities, including Connecticut.

- Travel spending directly supported 69,800 jobs, and was the state’s 8th largest sector in terms of employment.
- Travel spending generated $1.1 billion in taxes to state and local governments.
  - Rather than taxing constituents, travel brings money into our communities, which helps fund public programs such as police, firefighters, teachers, road improvements and community revitalization projects.

## WHEN THE TRAVEL INDUSTRY THRIVES, AMERICA THRIVES.
