Prior to the COVID-19 pandemic, the thriving travel and tourism industry was a significant economic driver in **NEVADA**. In 2019:

- Domestic and international travelers spent **\$45.9 billion** while visiting.
- For every **\$1 million** spent in Nevada by domestic and international travelers, **8.4 jobs were created**.
- Travel spending directly supported **387,284 jobs**, making the travel industry the state's **largest workforce**, representing **31.0%** of our state's total private sector employment.
- Travel spending generated **\$6.2 billion in taxes to state and local governments**, which help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.

In 2020 and 2021, the COVID-19 pandemic led to historic declines in travel to **NEVADA** and caused severe economic harm to our attractions, hotels, restaurants and more.

- Spending by domestic and international travelers **declined 51% in 2020**, shuttering many local businesses and putting our residents out of work. **Spending was 21% below 2019 levels in 2021**.
- **Travel employment fell by 35% in 2020** and travel's share of total private industry employment fell from **31% to 22.6%**.
