Prior to the COVID-19 pandemic, the thriving travel and tourism industry was a significant economic driver in **TEXAS**. In 2019:

- Domestic and international travelers spent **\$82.0 billion** while visiting.
- For every **\$1 million** spent in Texas by domestic and international travelers, **8.7 jobs were created**.
- Travel spending directly supported **710,402 jobs**, making the travel industry the state's **8th largest workforce**, representing **6.6%** of our state's total private sector employment.
- Travel spending generated **\$11.7 billion in taxes to state and local governments**, which help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.

In 2020 and 2021, the COVID-19 pandemic led to historic declines in travel to **TEXAS** and caused severe economic harm to our attractions, hotels, restaurants and more.

- Spending by domestic and international travelers **declined 39% in 2020**, shuttering many local businesses and putting our residents out of work. **Spending remained 15% below 2019 levels in 2021**.
- **Travel employment fell by 36% in 2020** and travel's share of total private industry employment fell from **6.6% to 4.5%**.
